TightGate-Pro: Viewer mit Webbrowser

The screenshot shows a web browser window with the following elements:

- Address Bar:** Displays the URL `https://www.youtube.com/watch?v=2Qw0m641w0`.
- Search Bar:** Contains the text "national geographic".
- Video Player:** Shows a lioness in a natural setting. The video title is "National Geographic Wild Namibia". The video player includes standard controls like play, volume, and full screen.
- Video Description:** Below the player, it shows the channel name "National Geographic Wild Namibia" and a view count of "397.169".
- Recommended Videos:** A list of related videos on the right side, including titles like "Nat Geo Wild HD | Wild Thailand HD | Nature Documentary", "National Geographic | Wild Russia: Siberia HD | Nature Documentary", and "Wildes vs (2012) Bears - Extreme Fighting | Nat Geo WILD".
